A Word from Pastor Pam

Summertime, summertime, sum, sum, summertime!

Remember that line in the song Summertime, Summertime by the Jamies? It was a 1958 hit released by Epic records and became so popular that many artists would cover it for years to come. It was rereleased in 1962 and after that, artists like The Doodle Town Pipers, The Fortunes, Hobby Horse, Jan & Dean, and Sha Na Na, added it to their repertoires. Disclaimer: You will be humming this song all day in your head now.

Summertime signals a time for putting away the usual routine of the “day in” and “day out” (even in retirement) and planning a get-a-way, a reunion with friends or family, a trip to a far-off destination, or just having an iced tea or lemonade on the porch (unless it is 100+ degrees outside). Whatever the plans, summer typically signals a slow-down; it is a less structured pace.

But that is not always true. For instance, right now at Lord of Life, things are ramping up for the refugee resettlement and the asylee support team. With the expiration of Title 42, which restricted migration during the COVID-19 health emergency, coupled with all the dire situations happening across the world, people are seeking safety and opportunity for new life. It is an arduous process of miles of difficult travel and miles of paperwork to begin to build a life in the United States. Those who are fortunate enough to be granted entry must wait years for a ruling of permanency. But for those who live each day in fear of death or starvation, it is well worth both the journey and the wait.

The struggle of those who seek respite is our struggle too. We understand clearly as followers of Jesus that we are called and expected to walk in this world looking at the way things are as if we were seeing with Jesus’ eyes. It is not enough to establish a safety net for ourselves without working for the safety of all. Coming to the aid of those in peril is in our DNA as Christians. James put it like this: “In simple humility, let our gardener, God, landscape you with the Word, making a salvation-garden of your life. Don’t fool yourself into thinking that you are a listener when you are anything but, letting the Word go in one ear and out the other. Act on what you hear! Those who hear and don’t act are like those who glance in the mirror, walk away, and two minutes later have no idea who they are, what they look like.” James 1:21-24 (The Message)

So, this summer we are back in action. Please gather items as you are able which will help asylees making a short stop in Phoenix feel the relief and welcome of our faith. Once again, we are collecting non-perishable, individually wrapped snack items like trail mix, granola bars, cookies, fruit snacks, crackers, etc. (small packages of snacks that will travel well in a backpack). We also need thin white towels which the shelter can launder and reuse. Shoe laces for sneakers are needed because they are taken out of the asylees shoes at the border crossing and not returned. Backpacks, travel size toiletries, and items which can be put in a backpack and pass through the TSA check at the airport. If you are local this summer and willing, drivers to take asylees to the airport from the shelter are needed. It is a short drive from the shelter to Sky Harbor. You will be directed to the terminal, drop the client off outside with their belongings and they will find their gate. This can be a wonderful chance to meet someone who has been through so much and bid them well on to their next destination. It is a transformative experience. The rewards are smiles, handshakes, and gratitude that breaks down all barriers.

Items may be brought to the office and will be stored until enough has been collected to schedule a snack pack day and transport the goodies to the shelter. If you can help with this important effort and have any questions, please call the office. I look forward to working with you all to bring hope to those who have lost so much. Let’s make this sum, sum, summertime something to help others celebrate!

Peace, Blessings, and Thanks,
2023 Synod Assembly Report

Because of our generosity as a congregation, Bishop Hutterer asked that we make a brief report to the Synod Assembly in June. This is what we will share:

Living Generously is a way of life at Lord of Life. It’s not in our mission statement, where we pledge to grow spiritually, welcome graciously, love unconditionally and serve together faithfully. I guess you could say it’s the result of growing, welcoming, loving and serving. We love to live generously.

So, when we considered a special appeal to raise money to renovate our social hall and to set aside money for a maintenance reserve, there was never any question that we needed think beyond our needs. If we’re doing something for ourselves then we should also do something for others. The only question was “what” to do.

We live in the West Valley, one of the fastest growing communities in America. Could Lord of Life help jump-start a new congregation in the West Valley? We have the means. We are a vibrant community of people in the 3rd chapter of life. (That’s a polite way of saying we are all old). Can we help a young church get going? And can we then partner with that church through its infancy and formation?

During our Legacy of Love special appeal, parishioners committed to contribute more than 1.6 million dollars over the next 24 months. One third will be used on campus to renovate our social hall. One third will be held in reserve for future maintenance. And one third —more than half a million dollars— is ear-marked for new ministry in the West Valley.

Our mission is to grow spiritually, welcome graciously, love unconditionally and serve together faithfully. And because of that, we love to live generously.

-Pastor Steve

We love your donations! Please remember to put all donations in bags or boxes prior to putting them in the Donation Center.

Collections

Congratulations to the members of Lord of Life. In April and May, you responded with $1,251 and 937 lbs. of food for the Food Bank. Thank you for your response to their continual need.
Thank you to all of you that made Holy Week and celebration of Easter such a fulfilling experience. The choirs and musicians lived up to high expectations and their music was very inspiring. It was wonderful to see so many attending the services - our services were filled to capacity.

We are also celebrating the success of the Legacy of Love special appeal. Your generosity has brought total commitments to over $1,600,000 thus far! This will enable us to refresh Ruby Hall, set up a maintenance reserve to provide for pressing maintenance, and to help establish a Lutheran presence in the rapidly growing West Valley area. Thank you to the Legacy of Love team that produced the materials as well as planned and held the cottage and brunch meetings. You did so much in so little time! Amazing! Thank you to the members responding with your commitments! This is another example of the culture of generosity at Lord of Life and your commitment for mission outreach.

While we are talking about your generosity, I would like to bring some attention to the Mission Endowment Fund we have at Lord of Life. We don’t talk often enough about this fund and we need to highlight how this fund is enabling Lord of Life to help the community. In 2022 this fund made grants to seven different groups totaling $101,423. Those groups include Benevilla, Pacific Lutheran Seminary, Camp Aloma, Lutheran Social Services, Pan de Vida, Barrio Nuevo and the University Lutheran Church @ ASU.

A $10,000 grant to Thrive AZ was recently approved. Thrive AZ, located in Peoria less than thirty minutes from Lord of Life, works towards 1) foster care prevention (keeping families together), 2) family reunification, and 3) mentoring and providing housing and more for the foster young men and women who are aged-out of the system at age 18. They have a video describing their operation on their website at Thriveaz.org.

Our $10,000 grant will provide 100 new beds for children and babies who otherwise could be removed from their families and placed in foster care. Yes, that can happen if a family is too poor to provide a bed for each child. Thrive AZ brings the bed and new bedding to the family, sets it up, and with the parents’ permission prays over the bed with the family asking God’s blessing for it.

Thank you for your generosity. Your contributions of time, talent and money to Lord of Life are making a positive difference in our community!

—Randy Farwell, Congregation President

Fall Music Events at LOL

As I'm working on the Concert Series for 2023-2024, I want to bring your attention to two fall events.

On Sunday, October 29, 2023, we are hosting the Cornerstone Chorale and Brass at 3 pm. This outstanding group has been with us before and we have been impressed with their message through Word and music as they offer God's message of compassion, hope and reconciliation, social justice and recreation. We need to have housing and breakfast for 30 people. The church will provide an evening meal. Dr. Bruce Vantine, a friend of Dave & Gloria Lien, is the founder and director of this group of professional musicians. They come from many parts of the country, but the headquarters are in Florissant, Missouri. Please consider coming to the concert and then housing some of them.

On November 12, Sunday, we will host the Sonoran Sounds women's group at 3 pm. We have several of our members involved with them. This year's concert will have patriotic numbers since Veterans/Armistice Day is the day prior to our event. Freewill offering.

I'm hoping to have the remainder of the concert events in the August-September Lifeline newsletter.

A big thank you to all the choirs, instrumentalists, soloists, quartets, small groups for all the music provided this fall, winter and spring. I'm always so impressed with the giving/sharing of gifts at LOL, and music comes under the heading of sharing of your gifts. Thanks so much. We have most of the summer music schedule completed, but if you haven't signed up yet, please talk to Dave or myself, Gloria. Blessings to you.

Men's Caring & Sharing

Men's Caring & Sharing, which meets on Monday mornings at 9:00 am, chooses to care for each other and share their thoughts and concerns. If you have questions, contact Glenn Austad through your church directory or call the church office for contact info.

Next New Member Orientation Classes September 19 & 26. Prospective new members will attend both classes. New members will be received on the weekend of September 30 & October 1.

Come to our next New Member Orientation to learn more about what it means to be a member. To sign up, call the church office: (623) 584-2000
June Gratitude Gift: Dysart Community Center & SCW Community Fund

Dysart Community Center is a 501(c)(3) nonprofit organization established in 1962 by a group of twelve determined volunteers to provide basic health and educational resources to local families on the verge of poverty. Educating those in need was the first priority for these volunteers and remains so today.

From its founding more than fifty years ago, Dysart Community Center has expanded its services to provide a variety of educational programs for thousands of West Valley residents in our local communities. Today they proudly serve the community with GED, ESL and citizenship courses for adults, after-school and summer care for youth, and access to various basic needs resources for families and individuals. They believe that by empowering our community through education while providing relief from various social and economic stresses, they can play an important part in helping community members reach the full potential of their character and capabilities.

The Sun City West Community Fund provides a financial safety net for SCW residents who are having difficulties paying their bills.

Did you know that many of our residents in SCW have out-lived their savings and rely solely on their Social Security to survive? Struggling to make ends meet, they worry and stress over unpaid bills, empty food closets and unfilled prescriptions. Life is tough and then something unexpected happens on top of everyday struggles.

By making a gift to the Community Fund of Sun City West, you can make a difference in someone’s life right now! Your gift can help someone pay for food, utilities, medical bills, auto repairs, prescriptions and countless other unexpected bills that can happen to any of us at any time.

July Gratitude Gift: Thompson Ranch Elementary School

Let Us Change the World (Rather, Not be Changed by the World)

Thompson Ranch School will always need crayons, paper, pens, and glue. In addition to our Gratitude Gift, there is a greater need, a greater challenge that we, as a loving body of Christ can rise to. There are families in need of clothing, food and shelter. When those criteria are met, children blossom and find their footing in school and the world.

God has placed it in my heart to invite this church to take a step further into living and giving generously. The social worker at Thompson School has provided me with information regarding a family in need of your love and generosity. Keep an eye out in the Good Word of the Day emails for more information on how you can help. In addition to the Gratitude Gift, material donations of glue and glue sticks, pens, and lined paper are always welcome:

LOL Knitters Seeking Bead Donations

The Lord of Life Knitters can be found happily knitting and purling away on the first and third Wednesdays of the month from 9:00 until 11:00 at an offsite location.

We are now also making twiddlemuffs, which can be described as knitted tubes with attached beads. When a person who has Alzheimer's or Parkinson's disease, according to the website https://dailycaring.com, "Seniors with Alzheimer's disease or dementia may show anxiety or agitation through fidgety hands. Signs include pulling or rubbing at clothes or bedding, rubbing hands together, twisting fingers, wringing hands, and generally keeping hands in motion. Sensory therapy or fidget toys are an effective way to reduce anxiety, calm nerves, and provide comfort."

Our knitting group has gone from one twiddlemuff knitter to four. We are going through our supply of beads super fast! Can you help? Beads can be plastic or wood but cannot have very tiny holes. Please bring bead donations to the church office or call the church office with any questions.
Library Lines

As I write, I am not sure what the summer holds for access to our library. Construction Zones always lead to unknowns! This might be a good time to check your own bookshelves and find one you never read or one to reread this summer! We will be adding a couple of real classics to our shelves, *Uncle Tom’s Cabin* by Harriet B. Stowe and *Anne of Green Gables* by L.M. Montgomery. Also in Fiction, two Kristin Hannah novels, Another Life and the 2nd book in the Firefly Lane series, *Fly Away*. A couple of nonfiction books on order are *The Wisdom of Morrie: Living and Aging Creatively and Joyfully* by Morrie Schwartz and *Project 562: Changing the Way we See Native Americans* by Matika Wilbur. The Author spent over 10 years and traveled over 600 thousand miles in all 50 states to create this extensive work.

If the library is not available to you because of construction, I will work to bring it to you!! (More details later!) Until then, Happy Reading!

Vehicle Safety

SECURING YOUR VEHICLE AND ITS COMPONENTS
Lock your car! Even when parked in your garage!! And don’t think you are necessarily “protected” when parking at church!
Do not leave valuables in plain site; better yet, do not leave ANY valuables in your car! This includes purses/wallets/personal id/laptops/phones/packages, etc.
Consider contacting local law enforcement to see if they offer a free “catalytic converter” etching event (the VIN is usually etched on these items). The converters are expensive to replace; are worth a great deal to thieves (due to the metals used in production) and are hard to trace. An etched converter can reduce the possibility of theft. You might also ask your dealership if they will install a kit that secures the converter to the car.
Park in a well-lit area.
When at home, ALWAYS park in your garage and keep the door closed. No room? Clean it out and make room! Because once your car is stolen from the driveway, you’ll have plenty of room!

SAFER DRIVING
Lock your doors as soon as you and your passengers have entered the vehicle. EVEN if your car automatically locks at 10-15 mph.
Always wear your seat belt (shoulder harness too!!!); people have been seriously injured wearing just a lap belt!
When you come to a stop, try to leave a space between yourself and the car in front of you.
Besides watching the road in front of you, always check your rear-view mirror and watch the vehicle behind you; often if one is following too closely, you can slow down so that they do not rear end you in case of a sudden stop.
While driving on the freeway – the safest lanes are the “#2 and #3” lanes (the #1 lane is the inside lane/sometimes the HOV lane). To reduce your risk of facing a “wrong way” driver, do not drive in the HOV lanes at night.
Do not stop for hitchhikers or stranded motorists; instead, call law enforcement to respond.
If you think you are being followed, head to the nearest Police Department/Fire Department or well lighted area.
If you are alone in your vehicle and need to stop to get gas, roll up your windows, take your keys and lock your car doors when you exit to pump the gas. Ladies, put your purse on the floor of the car. While you are putting gas in the car, it is quite easy for someone to grab a purse through the passenger door or window and get away; or to enter an unlocked vehicle via the passenger door and take off in the car. Both types of incidents happen frequently!!
Before driving to a location that is new to you, or leaving on a trip, know alternate destinations and be familiar with different streets. Even if you have GPS in your car or rely on your phone’s directions, you should be aware ahead of time, in the event of a road closure or when driving in an unsafe area.
Stay alert, exiting and entering your car.
Before entering your car, always check the back seat for someone who might be hiding there.
DO NOT drive with a handicap placard hanging on the rear-view mirror! Not only is it against the law, but it also blocks your view of the road ahead (which is why it’s against the law).

Questions? Please contact Suzanne Thomas through the online directory or the church office.

REMEMBER: MOST CRIMES ARE CRIMES OF OPPORTUNITY!!
Heat Respite 2023

Lord of Life Lutheran Church will participate in the Heat Respite program at Grace Lutheran Church located in downtown Phoenix. Grace Lutheran Church feeds over 5,000 meals to the homeless people as well as providing hydration and wellness checks during the summer months. This year we will participate June 27-30 and July 11-14, 2023, preparing and delivering the lunches on Tuesdays and Thursdays. We need caring volunteers to prepare lunches from 8:30am-9:30am and drivers, with an SUV or similar vehicle, for those four days.

Our kitchen will be remodeled this summer, so Shepard of the Hills United Methodist Church is graciously letting us use their kitchen! Watch for more information through the Good Word of the Day emails. We will have sign-up sheets around the worship services starting June 4, 2023. Contact Sheila in the church office if you are able to help. Thank you!

Heat Awareness

**Heat Exhaustion** warning signs:
- Thirst/dehydration
- Irritable or grouchy
- Dizziness
- Lack of coordination
- Unusual fatigue/tiredness
- Nausea and vomiting
- Stomach cramps
- Increased sweating or cold clammy skin
- Muscle cramps
- Unusual ankle/leg edema
- Minimal urination, dark smelly urine

**Heat stroke** (a medical emergency) warning signs:
- Fainting or becoming unconscious
- A change in behavior-confusion, agitation, staggering, or acting strangely
- Body temperature over 104 degrees Fahrenheit
- Dry, flushed skin
- A strong, rapid pulse or a slow, weak pulse
- Not sweating, even if it is hot

Prevention:
- Use air conditioning in cars and the home
- If home has no AC or is overheated, go to cooling centers, libraries, malls, or other places with air conditioning
- Keep hydrated, encourage lots of fluids
- Stay in shady areas if outside
- Avoid direct sun exposure
- Dress in light, cotton clothing
- Take cool showers or baths to cool down

The Sun City West Low Vision Support Group is a free support group to give residents the chance to connect and hear about various places to find additional support. The group will give information about providers and low-vision services and devices, as well as tips on successful strategies for daily living.

There is a forum for residents to share experiences and meet others experiencing the same challenges. The group also has connections with similar groups in Sun City, Scottsdale and Prescott. Call 302-803-0509.

Items of Interest

❖ Worship Services on the Web. If you are out of town or not able to attend services, visit our website and listen to the service at www.lolaz.org, or subscribe to Lord of Life on YouTube at www.youtube.com/c/LordOfLifeLutheranChurch.

❖ Listening Devices. Assisted listening devices are available as part of our sound system during worship services.

❖ Holy Communion in the Pew. If you wish to receive Holy Communion in the pew during worship, please notify one of the ushers prior to the beginning of the service. We are always happy to offer the sacrament to anyone who is unable to come forward to the altar.

❖ Unisex Handicap Restrooms. The restrooms in the Chapel are Unisex Handicap Restrooms and are available for people who need family member assistance or are in wheelchairs.

❖ Wheelchairs. Wheelchairs are available in the Narthex for those who may have difficulty walking from the parking lot to the Sanctuary for worship. The door into the Sanctuary on the east side of the building (next to the Columbarium) is handicap accessible for those in wheelchairs, walkers or who have difficulty walking.

❖ Pastors on Call. One of your pastors is on call after office hours, on weekends and on holidays for emergencies. If you need to contact a pastor during those times, call the church office answering machine at (623) 584-2000 and leave a message. The on-call pastor will return your call as soon as they are able.

❖ Hospitalizations. If you are in the hospital and want us to be aware of it, please call the church office or have someone call on your behalf. Unless directed otherwise, your name will be placed on the prayer chain and included in electronic notifications.

❖ Council Minutes and Financial Statements. These documents are available for your perusal in the church office or on our Members Only website.

❖ Lost & Found. Come to the church office to claim lost items.

❖ Text LOLAZGIVE to (833) 750-3196 to give today!
